Welcome From The Blums

We extend a warm welcome to everyone for this Blum Golden Anniversary Polled Shorthorn Sale. To us it is significant that this herd has been in existence for fifty years with the original seed stock coming from a herd that was started seventy-five years ago.

We are proud that every animal in this sale was bred, born and raised on the Blum farm.

Through the entire existence of this herd we have aimed to produce the kind of good practical, good doing, prolific cattle that have always paid their way through good times and bad. We have avoided fads and fancies by continually trying to produce good, big, rugged cattle that performed well for us and for many of our customers. To them we are grateful.

In the past, we have held sales in 1946, 1959, 1967 and 1968. However, we have always sold many of our productions at private treaty right here on the farm.

Through the years we have always retained our top heifers so that the herd has grown fast. Now we must sell because the size of the herd has outgrown our pasture and facilities. Our herd is so uniform that it was hard to divide so we are selling many of our very best producers.

In this offering of bulls, cows, heifers and calves you can see several generations of each animal. You can see the kind of individuals they are, the kind of sire and dam they have or the kind of cattle they produce.

We are proud of this group of Polled Shorthorns and they have always been good to us. We recommend them highly.

Therefore, we are looking forward to seeing you on Thursday, March 6, 1975 at the North Y Sale Pavilion one-fourth mile North of Spencer, Iowa.

MINOR BLUM
ROBERT BLUM

Blum Golden Anniversary Sale

An Extraordinary Event

1975 IS THE 50TH ANNIVERSARY THAT MINOR BLUM HAS BEEN BREEDING REGISTERED POLLED SHORTHORNS.

1975 IS ALSO THE 50TH ANNIVERSARY OF MR. AND MRS. MINOR BLUM'S MARRIAGE IN 1925.

It was only fitting that this young couple should start breeding Polled Shorthorns in 1925. Minor Blum was raised with good livestock, and Mrs. Blum, who has always been intensely interested in their Polled Shorthorns, was the daughter of the late H. L. Ryon, Spencer, Iowa, who bought his first Polled Shorthorns in 1900 and, therefore, was one of the real pioneers of the Polled Shorthorn breed.

For the last 25 years Minor's son Robert has been a partner in the firm.

The Blums have always been great boosters of the breed. Minor Blum served as president and director of the Iowa Polled Shorthorn Club, and president and director of the Sioux Empire Polled Shorthorn Club.

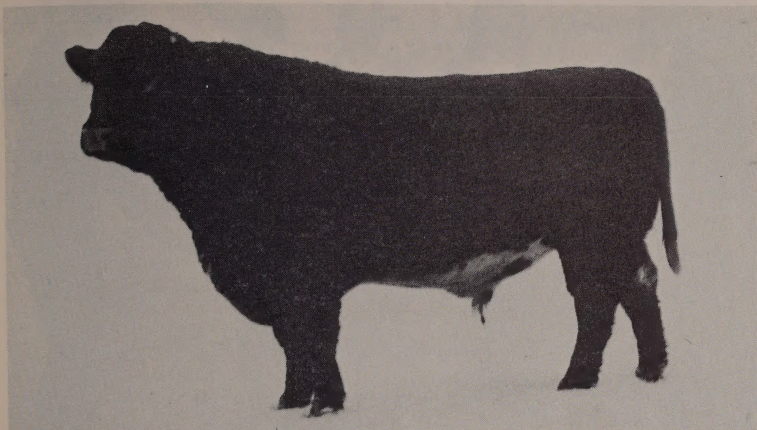

Robert Blum has served his allowable terms as a director of the American Polled Shorthorn Society, and is serving as the vice president and director of the Iowa Shorthorn and Polled Shorthorn Breeders Association. Both have given much of their time and effort for the good of the breed.

The Blums have exhibited their cattle at strong shows and consigned many winners to the National Polled Congress, the Iowa Royal and Omaha sales, and to strong district sales. Their cattle have always done well for them and for others.

This prolific herd has now increased beyond the handling capacity of the farm. Therefore, this offering has been selected from the heart of the herd with no reservations about putting in many of the very best.

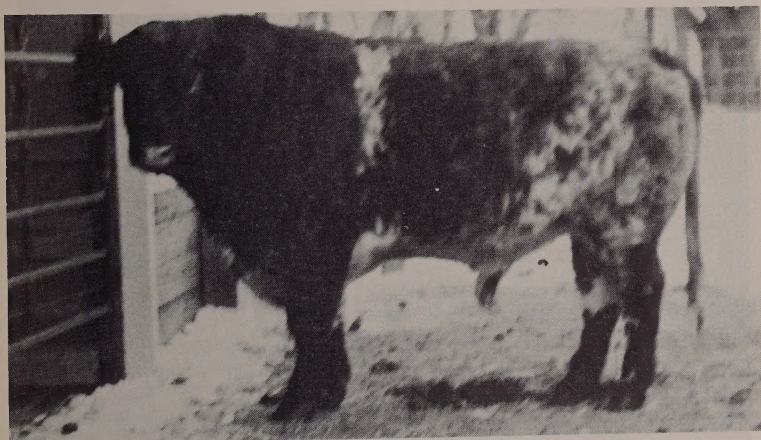

Minor and Robert Blum would like to have everyone interested in good dependable Polled Shorthorns backed by 50 years of constructive breeding come to the sale at Spencer, Iowa on March 6 and inspect this outstanding offering. They offer real buying opportunities.

Albert J. Hamann, Sale Manager

ROTHNEY ANSWER x

This great proven herd sire was purchased in the 1970 Rothney Sale at Calgary, Alberta, Canada. He is over a ton bull in breeding condition. He is sired by the great Boa Kaye Royal Oak 2nd x, the Grand Champion, sale top and winner of the \$1000 Bonanza Purse at the Edmonton Bull Sale. Six of his sons have been champions and sold in the \$4000 to \$5000 bracket to top herds in Canada and the United States. A bull from Answer's first crop of calves was the \$1800 Grand Champion of the 1974 Iowa Royal Sale. His entire first crop of bulls averaged over \$1000. The valuable get and service of this great sire is well represented in this sale.

W F BEN'S PRIDE 421 x

This big, strong, hard muscled bull was purchased in 1973 National Polled Shorthorn Congress sale at Kansas City, Mo. He stood next to the grand champion in class and at \$2350 was the third top bull in the sale. Only three years old, he will make over a ton bull at maturity. He is deep in Polled breeding as every animal in his pedigree is Polled. His first calf crop arrived with the 1974 calves and they are great, modern prospects. His valuable get and service will be well represented in this sale.

GLOSTER LEADER x

THE GRAND CHAMPION BULL OF THE 1974 IOWA ROYAL SALE. The May, 1972 yearling from the first crop of calves by the Great Sire Rothney Answer x sold for \$1800 to Ralph Hellinga and Son, Harris, Iowa for their good, large herd. His dam comes from our good Countess family. Many of his half-brothers and sisters and one full sister sell.

PROUD PRINCESS 370th x

THE GRAND CHAMPION AND TOP SELLING FEMALE OF THE 1972 IOWA ROYAL SALE. This growthy, long bodied, April 1970 yearling by our former herd sire, Four Dees Great Souvenir x sold to the good herd of Miles Mann, Fair Acres Farm, Woodbine, Iowa. Her dam was by the Omaha sale top Susanna's Count x and from our Proud Princess family. Her dam sells as Lot 28 and many of her half and three-quarter brothers and sisters sell.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
